

# How to log into GOOGLE CLASSROOM

STEP 1: go to [www.philasd.org/login](http://www.philasd.org/login) & enter your student ID number and password

The screenshot shows the login page for The School District of Philadelphia. At the top, there is a navigation bar with links: Our District, Schools, Families, Students, Employees, Directory, and Login. Below the navigation bar is a banner image of diverse children. The main heading is "Enter your Username and Password". There are two input fields: "Username:" and "Password:". Below the password field is a link: "Forgot your password?". A green "LOGIN" button is at the bottom. To the right of the login fields, there is a disclaimer: "Access to the PhilaSD Portal is governed by the School District of Philadelphia's Acceptable Use Policy (https://www.philasd.org/schoolboard/policies/). Unauthorized use of this system is strictly prohibited." Below this, there is a security notice: "For security reasons, please quit your web browser when you are finished." and several links for help and registration.
