PART I. GENERAL EXPECTATIONS

Each school in its School-wide Parental Involvement Policy must establish the school’s expectations for parental involvement. [Section 1118(a)(2), ESEA.]

The Stephen Girard agrees to implement the following statutory requirements:

- The school district will put into operation programs, activities and procedures for the involvement of parents in all of its schools with Title I, Part A programs, consistent with section 1118 of the Elementary and Secondary Education Act (ESEA). Those programs, activities and procedures will be planned and operated with meaningful consultation with parents of participating children.

- Consistent with section 1118, the school district will work with its schools to ensure that the required school-level parental involvement policies meet the requirements of section 1118(b) of the ESEA, and each include, as a component, a school-parent compact consistent with section 1118(d) of the ESEA.

- The school district will incorporate this district wide parental involvement policy into its School District of Philadelphia plan developed under section 1112 of the ESEA.

- In carrying out the Title I, Part A parental involvement requirements, to the extent practicable, the school district and its schools will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under section 1111 of the ESEA in an understandable and uniform format and, including alternative formats upon request, and, to the extent practicable, in a language parents understand.

- If the School District of Philadelphia’s plan for Title I, Part A, developed under section 1112 of the ESEA, is not satisfactory to the parents of participating children, the school district will submit any parent comments with the plan when the school district submits the plan to the State Department of Education.
• The school district will involve the parents of children served in Title I, Part A schools in decisions about how the 1 percent of Title I, Part A funds reserved for parental involvement is spent, and will ensure that not less than 95 percent of the one percent reserved goes directly to the schools.

• The school district will be governed by the following statutory definition of parental involvement, and expects that its Title I schools will carry out programs, activities and procedures in accordance with this definition:

  Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring—

  (A) that parents play an integral role in assisting their child's learning;
  (B) that parents are encouraged to be actively involved in their child's education at school;
  (C) that parents are full partners in their child's education and are included, as appropriate, in decision-making and in advisory committees to assist in the education of their child;
  (D) the carrying out of other activities, such as those described in section 1118 of the ESEA.

• The school district will inform parents and parental organizations of the purpose and existence of the Parental Information and Resource Center in the State.

Parents, in conjunction with administration and the leadership team, participated in the development of the plan during a meeting which occurred on September, 26, 2017. We feel this will help to promote parental involvement.

2. The School District of Philadelphia will take the following actions to involve parents in the process of school review and improvement under section 1116 of the ESEA:

Parents are encouraged to take part in the writing and development process for our School Improvement Plan and budgeting process. This meeting occurred on March 28, 2017. • Train new and existing staff with parental engagement duties (e.g., School Improvement Support Liaisons, School-Community Liaisons, School Community Coordinators, and Bilingual Counselor Assistants) to assist school sites in implementing parental engagement.

• Make available the staff of the Office of Educational Equity, Office of Specialized Instructional Support, and Office of Parent, Family, Community Engagement and Faith-based Partnerships, and staff of the Assistant Superintendents for technical assistance.

Pre-K teachers come and meet with the kindergarten staff and learn expectations for kindergarten. We host a “Get Ready For Kindergarten” assembly for expected parents. At that time, Pre-K parents and students are exposed to kindergarten roles, responsibilities, and expectations. Although Girard does not house any Pre-K programs, we host a few Open houses in the Spring for potential kindergarten students and their parents. This helps to familiarize parents with the expectations for kindergarten and allows them to meet school administration and teachers.

5. The Stephen Girard School will take the following actions to conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this parental involvement policy in improving the quality of its Title I, Part A programs. The evaluation will include identifying barriers to greater participation by parents in parental involvement
activities (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background). The school will use the findings of the evaluation about its parental involvement policy and activities to design strategies for more effective parental involvement, and to revise, if necessary (and with the involvement of parents) its parental involvement policies.

In the beginning of the year, we distributed surveys asking the parents to provide us with input for both the School Improvement Plan and topics for workshops/meetings. We are using this information to help us identify parental needs and areas of interest. Questionnaires will be distributed during report card conferences to gain feedback from parents and Administration will review the results to discuss with the Leadership to determine areas of concern. Translations are available, if needed.
