YOUNG CHANCES FOUNDATION

Young Chances Foundation was created in 2012 to provide urban children with the opportunity to have fun, strengthen family relationships, build positive leadership skills through peer-motivated activities, and access resources for general to higher education.

Young Chances has gained national attention for its work in the community, with its founder Tyrique Glasgow being named a finalist for the 2022 CNN Hero of the Year and making subsequent appearances on national television shows like the Kelly Clarkson Show.
